Procurement Ref.: OAB/STC/2022/07

Clarification No. 1

Attention: All Bidders

Query 1

Could you elaborate more about this service as well as provide complete details of your company?

Reply 1

The Consultancy services for the Review of Existing Specifications for Wheat Flour mainly include the following assignments:

- a) Review and recommendation on existing specifications for wheat flour procured by STC
- b) Recommendation for a Wheat Flour Quality Monitoring process
- c) Recommendation for a Standard Bread Baking Process
- d) Recommendation for a set of specifications for fortified wheat flour
- e) Training as per the requirements specified in the bidding document

The scope and description of the services, as well as details on the State Trading Corporation (STC), are provided in the Terms of Reference at Section 5 of the bidding document under reference. You may equally wish to consult STC's website for more information about the organization.
